

HP INTERNATIONAL TRADING W.L.L.

About HP

HP International Trading WLL. is pleased to introduce our reputation in supplying off end-to-end industrial materials and possesses the privilege of being one of the highly trusted suppliers inside the Kingdom and throughout the Middle East.

We provide our customers with a tailor made solutions and supply them best suited as well as good quality materials to meet their requirement and have been work closely with them to produce work of highest possible standard. We are committed to our customers and strive to provide them with the highest levels of service promptly. HP believes in close partnerships to ensure continuous growth and success. The relationship with our clients is based on honesty, commitment and mutual understanding. We continue to focus on profitable growth of our business.

We have classified our services and supports into different divisions. Our business verticals are:

- + Scaffolding & Form Works
- + Electrical
- + Fabrication
- + Mechanical
- + Industrial Tools
- + Instrumentation & Gauges
- + Oil Field Supply
- + Telecommunications
- + Safety & Tools
- + Building Tools & Materials
- + Equipment & Pumps
- + PVC Materials

INTERNATIONAL TRADING W.L.L.

You play an important role in global industrial growth. Growth imparts successful ventures. Successful ventures demand completion of projects in stipulated time. Timely completion of projects needs uninterrupted supply of materials. And we are here to help you meet your requirements.

You name it, we get it.

We are here to serve you better.

Our guidelines for success

- Provides High Quality Materials from Reputed Manufactures
- Prompt Delivery as per Customer Schedule
- Quick Response to Customer Queries
- Worldwide Sourcing Options
- Excellent Customer Service
- Efficient & Effective Product Sizing and Selection
- On-time Customer Support
- Keep in Pace with latest developments by constantly upgrading the knowledge of Products.

We believe in superior quality materials and ensure that only quality materials been supplied. HP provides scaffolding & formworks according to EN, BI and OSHA standards. We provide material test certificates (MTC) from the manufacturer for each material we are supplying. HP does not compromise on safety and security.

We import large quantity of materials regularly, to maintain our stock as well as to meet the requirement of our clients.

As an accredited supplier providing high value in your supplying of industrial materials, we keep the promise you gave to our customers: - *“Quality materials and appropriate solutions just in-time at an affordable price.”*

I. Scaffolding & Formworks

HP imports and supplies cuplock scaffolding & formwork systems according to international standard. HP has a team of scaffolding engineers with rich experience in scaffolding custom design production. HP imports scaffoldings directly from reputed manufactures around the World. HP assures the satisfaction and safety of the customers by providing quality products with immediate delivery.

HP is the dealer and stockiest of Major Scaffolding manufacturers in Asia and Middle East. We keep huge stock of cuplock systems Standards, Ledgers, Intermediate Transoms, Beam Brackets, Cantilever Frame and Ladder beams. HP also supplies scaffolding tube, push pull props, shoring jack, heavy duty props, steel panels, Scaffolding board, bracing Tubes, Forged EN & BS Standard couplers, steel ladders steel soldiers and special type of formworks for bridges and multistoried buildings.

Our entire product meets the American ANSI, EN 10219, BS1139 and OSHA (Occupational Safety and Health Administration) standards and regulations. *We provide the customer with dual option of providing scaffolding material either for sale or on monthly rental basis.*

II. Electrical

HP imports electrical accessories from world's best manufacturers to ensure 100% quality. HP delivers even the rare industrial electrical equipments through its wide connection with world over leading manufacturers. HP supplies quality electrical materials from Crouse-Hinds, 3M, BURNDY, MK Switches, APPLETON, SQUARE-D, GE, HUBBELL, Legrand, G&W, ABB, SIEMENS etc...

III. Fabrication

HP is recognized as one of the most technically capable steel fabricators in the Middle East. This reputation has been earned by consistently exceeding the expectations of our customers with regard to manufacturing and product excellence supported by exceptional technical service.

HP is a steel fabricator and erector with extensive experience in the petrochemical, mining, power generation, pulp and paper, and commercial markets. Our services include the fabrication and installation of structural and miscellaneous steel, equipment components, hoppers, plate work, material handling equipment etc...

IV. Mechanical

HP imports mechanical and hydraulic equipments from the leading manufacturers in USA, Japan, Germany, Italy, UK, India, UAE and China like, OLIVER valves, APOLLO, OBRIEN, DANFUSS etc...HP imports all kinds of mechanical components and industrial hydraulic spare parts, Industrial valves and blanches. HP makes any components available for the customer satisfaction as per their requirements from any manufacturer anywhere in the world which is not available in the local market.

V. Industrial Supply

HP Industrial Supply has built reliable internal processes to assure our products been supplied and services offer exceptional value to our customer. As a leading Industrial supply company, HP currently provides services such as pipeline construction equipment, industrial and construction supplies, utility, mining, gas drilling and distribution, power plant construction and maintenance, and other specialty trades and contractors.

VI. Instrumentation & Gauges

HP supplies precise and quality instrumentation accessories and gauges from reputed manufactures like SWAGelok, PARKER, DIXON etc... HP realizes the importance of instrumentation & gauges and it serves the customers with at most care and responsibility. HP supplies wide range of industrial gauges for your different industrial purposes.

VII. Oil Field Supply

With a strong market presence and an array of leading International Manufacturers in its fold, HP is certainly enjoying the status of leading Supply and Services Company in the kingdom. We are always committed to quality and delivery and have been part of many prestigious Oil and Gas projects. Besides the oil and gas industry, we also supply to water treatment plants, power plants etc.

VIII. Telecommunications

HP is an industry supplier in the procurement, sales, material management and distribution of product solutions in the Middle East telecommunications industry. We do not manufacture any products our complete focus is on providing our customers with the products and services you need to make your business successful. Our mission is to be your most cost-effective way to have the right material at the right place at the right time, every time.

IX. Safety & Tools

HP is a reputed and a very committed supplier of safety equipments. HP assures the availability of any type of safety materials for its clients. HP supplies safety equipments from a number of reputed manufacturers in the world.

X. Building Tools & Materials

HP has been supplying industrial tools and supplies for all our privileged customers in mind. We offer a variety of abrasives, pneumatic & electric tools, cutting tools, hand tools, lubricants and MRO supplies. Products are suitable for industrial applications.

XI. Equipment & Pumps

HP has been a leading supplier of pumping equipment and accessories in the Kingdom and we continue to achieve excellence. We represent the most advanced and innovative manufacturers in the industry. Our hallmark is conservation and unique design for individual problem solving and ultimate efficiency.

XII. PVC Materials

HP is a leading supplier of PVC pipes and fitting systems used in a broad cross-section of markets such as plumbing, water supply, sewerage and wastewater, storm water and drainage, mining, industrial, rural, irrigation, electrical, telecommunications. We cater the day to day requirements of our customers with a wide range of PVC products embedded with ASTM, DIN, and British Standards etc. We can also provide customized piping solutions for industries where there are specific requirements.

LIST OF PRODUCTS

I. Scaffoldings & Formworks

- Base Jack
 - Base Plate
 - Beam Clamp
 - Flip Lock Pin
 - Forged Swivel Coupler
 - Forged Double Coupler
 - Forged Board Retaining Coupler
 - Forged Putlog (Single) Coupler
 - Forged Fixed Girder coupler
 - Pressed Sleeve Coupler
 - Stair Thread Coupler
 - Tie Rods, Infill Beams
 - Decking Beams
 - Embossed GI Tube
 - Scaffolding Spanners
 - Scaffolding Belts
 - Shuttering Clamps
 - Universal Clamp
 - Universal Jack
 - U-head Jack
 - Timber Welling Clamp
 - Cuplock Standards
 - Cuplock Ledgers
 - Cuplock Transoms
 - LVL Planks
 - Washer Plate
 - Wing Nuts
- And More ...

II. Electrical

Distribution and Lighting Equipment

- Circuit Breakers
 - Panel Boards (Indoor & Outdoor)
 - Switchgears
 - Fuses
 - Transformers
 - Fixtures
 - Ballasts
- And More ...

Cable and Accessories

- All Cable types and sizes
- Connectors
- Ties
- Cable Tray & Ladders

And More ...

Support Items

- Rigid & Flexible Conduits
 - Fittings
 - Terminals
 - Enclosures
 - Ground Rods
 - Lamps
 - Plugs & Connectors
 - Switches
 - Starters
 - Splice Kits
 - Tape
 - Cable Glands
 - Terminal Blocks
 - Tools & Instruments
 - Wiring Devices
 - Lighting Fixtures
 - Boxes
 - Channel & Raceways
- And More...

Earthing and Grounding Protection

- Earthing rods
 - Copper rods
 - Earth Clamps
 - Inspection Kits
 - Moulds & Joints
- And More...

III. Fabrication

HP processes the flexibility to manufacture a wide range of mixed product lines that would fit in and fulfill different sectors of the markets. This wide range includes but is not limited to:

- Steel Structure
- Steel Collector Elements
- Plate Works
- Pressure Vessels
- Boilers
- Tanks
- Heat Recovery Steam Generator (HRSG's)
- Heat Exchangers
- Piping
- Packaged Skids

And More...

Steel Fabrication

- Steel Buildings
- Steel Stairs
- Mezzanine Floors
- Steel Fabrication
- Access Platforms
- Steel Shelters

And More ...

In addition, HP has the engineering and technical capacity to contribute to the designs of different applications and to use its technical expertise to make sure that the end product is the right outcome required by the client.

IV. Mechanical

- Ball Valves
- Butterfly Valves
- Bushes
- Check Valves
- Gate Valves
- Globe Valves
- Knife Gate Valves
- Manifold Valves
- Pressure Regulator Valves
- Relief Valves
- Fiber Glass Pipes
- Fittings
- Flanges - SS & Forged
- Gaskets
- Nipples
- Pipes - Standard & Line
- Tubing
- Unions

And More ...

V. Industrial Supply

- Pumping and Filtering
- Material Handling
- Storage
- Fastening and Sealing
- Machining and Clamping
- Plumbing and Janitorial
- Machinery Maintenance
- Measuring, Leveling and Inspecting
- Fabricating, Cutting and Sawing
- Machining and Clamping
- Heating, Air Conditioning and Ventilating
- Parts Treating, Abrasives and Finishing
- Hand Tools
- Hardware
- Raw Materials and Springs
- Safety, Communication and Office Supplies

And More ...

VI. Instrumentation & Gauges

Transmitters / Switches:

- Level
- Pressure
- Temperature
- Flow

Electronics:

- Alarms
- RTD/Thermocouple
- Barriers
- Relays
- Annunciators
- Indicators
- Recorders
- Power Supplies
- Controllers
- Calibrators
- Totalizers
- Transducers

Self-contained:

- Orifice Plates
- Safety Valves
- Rupture Discs
- Regulators
- Rotameters
- Gauges
- Thermocouples
- Seals

Valves / Accessories:

- Ball
- Gauge
- Needle
- Solenoid
- Manifold
- Actuators
- Positioners
- Limit Switches

Support Items:

- Cables
- Seal Pots
- Tracing
- Cable Trays
- Stands
- Channel Struts
- Enclosures

Tubeing / Tube Fittings / Tube Support:

All sizes, shapes and material of Tubeing, Channels, Splices, Tees, Elbows, & Clamps.

Calibrators / Testers:

All types of calibrators and testers.

And More...

VII. Oil Field Supply

- Pipe and Pipe Fittings
- Pipe Clamps
- Pipe Joints
- Tank Fittings
- Plastic Tubing
- Rubber Tubing
- Metal Tubing
- Barbed Tube Fittings
- Compression Tube Fittings
- Instant Tube Fittings
- Quick Disconnect Tube Couplings
- Quick Clamp and Weld Tube Fittings
- Manifolds
- Duct Hose
- Vacuum Hose
- Multipurpose Hose
- Air and Water Hose
- Fire Hose and Fittings
- Transfer Hose
- Braided Hose
- Hose and Tube Clamps
- Hose Fittings and Couplings
- Quick-Disconnect Hose Couplings
- Cam and Groove Hose Couplings
- Hose Reels
- Hose Nozzles

And More ...

VIII. Telecommunications

Networks

- Modems
- Routers
- Switches
- Splitters
- Hubs
- Plates
- Servers
- Printers
- Patch Panels
- Bridges
- Relays
- Transceivers
- Cards
- Converters

And More ...

Copper and Fiber Products

- Cables
- Outlets
- Closet Hardware
- Raceway
- Test Equipment
- Connectors, Adapters & Baluns
- Telephone, Paging Equipment

And More ...

IX. Safety & Tools

- Air Purifying Respirators
- Alarms
- Coverall
- Ear Muff
- First Aid Kit
- Gloves
- Helmets
- Safety Barriers
- Safety Cones
- Safety Googles
- Safety Harness
- Safety Shoes
- Thermal Imaging Cameras
- Warning Lights
- Warning Signals
- Warning Tapes
- Webslings
- Emergency Eyewash
- Emergency Shower

And More...

X. Building Tools & Materials

- Cutters
- Ladders (Aluminum and Fiber)
- Screwdrivers
- Spirit Levels
- Hand Saw
- Hack Saw
- Hole Saw
- F - Clamp
- C - Clamp
- Spacer
- Shuttering Clamp
- Wing Nut
- Wing Nut
- Tie Rod
- Tie Wire (Galvanized and Proxy Coated)
- Jack Hammer
- Grinders
- Pliers
- Vices
- Agricultural Mesh, Epoxy coated Wire Mesh
- Galvanized Chain Link, Galvanized, Annealed & PVC - Coated Wires,
- Ladder Mesh, PVC Mesh,
- Welded Wire Mesh

And More...

XI. Equipment & Pumps

HP is proud to supply the industry with the most advanced, innovative, and quality products available to cover many markets.

- Residential
- Commercial
- Agriculture
- Commercial Pool
- Industrial
- Building Services
- HVAC

And More...

Pumps and Motors

- ⊕ ABS Dewatering
- ⊕ American-Marsh

- CPVC Pipes - ASTM / DIN Standards
- HDPE / LDPE Pipes - DIN Standards
- DRIP Irrigation Tubing

And More...

WHY HP International Trading WLL?

HP International Trading WLL was founded on the basis of pure business passion. From the very start, we embedded a sense of pragmatism in the culture of the group. It is this pragmatism that has not only seen us through the most difficult of times but also allowed us to achieve greater success during times of economic growth.

Our journey from a trading house to an industrial complex and then on to a conglomerate comprising of trading, industrial, distribution and service industries has been with its fair share of trials and tribulations.

The foundations of our group are rock solid. These foundations, for all our companies, have been cast in the Bahrain but today all our business verticals look at the world as their marketplace. In this age of globalization, we continue to grow at breathtaking speed.

Speed is a virtue that we stand by at all times. The successful induction of our next generation into the business has allowed us to retain the advantages of remaining a family concern but at the same time enabled us to act with speed in the hiring of top grade professionals.

Our group has been built on the premise of sheer hard work. We have progressed this far by believing in our values and never shying away from putting in the effort needed to grow any business.

One of HP's greatest strengths is our ability to deliver materials to exact customer specifications. HP possesses exposure and knowledge to focus on customers' individual needs – their specific applications and processing parameters. Additionally, we can meet customer demands for both small and large quantities - an asset that sets us apart from the competition. HP is always interested in exploring new product lines. Therefore, whatever is not listed on our product menu, please advise and we will source it for you.

Our values: Excellence, Transparency, Compassion, Honesty, Empowerment and Discipline are inculcated in every one of our employees.

For us, the journey has been a long one but we see it as just the beginning of bigger things to come. Our next generation is now fully equipped to take the Group forward and to unimaginable heights.
